About Cradling / Dola Arohana Ceremony

The **Cradling** or **Dola Arohana** ceremony is a sacred ritual that marks the first formal swinging or cradle ceremony for a newborn child. Selecting an auspicious Muhurat ensures the child receives blessings for health, happiness, and spiritual growth. This tradition also strengthens family bonds and invokes divine protection.

Important Guidance

Astrological Muhurat calculations are based on planetary positions, Nakshatra, Tithi, and other auspicious factors. While the suggested Muhurat windows are highly recommended, family convenience and local traditions should also be considered. If rescheduling is needed, select the closest favorable period and avoid inauspicious timings.

Why These Dates Are Recommended

- Moon and planetary positions enhance the child's health, vitality, and overall well-being.
- No inauspicious Tithis or Nakshatra doshas occur during these periods.
- Planetary combinations promote family harmony, spiritual blessings, and positive energy.

Precautions

- Perform the ceremony only during the suggested Muhurat windows.
- Avoid Rahu Kaal, Yamagandam, and other inauspicious periods.
- If the suggested dates are not feasible, consult an expert astrologer for alternative Muhurats.
