Family Life, Marriage & Business Partner

Born when Pisces was in the seventh house, you can be optimistic of a good family life. You will have a good marriage and get an intelligent, wise and understanding spouse who will provide you with domestic comforts and happiness. An ideal match for you will be from the Capricorn, Cancer, Taurus or Scorpio signs.

Your marital relations will be even stronger if you treat marriage as a partnership than as one in which you should be dominant. This will ensure a pleasant, friendly atmosphere at home. The effect of a loving couple will be reflected in the behaviour of the children, who will come up to your expectations and earn a good reputation.

Regarding your desire to go into trade rather than taking up a job, you had better give up the thought. In the first place, the returns on your investments in any venture will be poor. Secondly, you are not only hard working, you are also a hard task master. You expect others to emulate you and attend to the work on hand without wasting even a single minute. But this, as you know, is not a practical proposition. So, if you enter into business with a partner, you will be disappointed when you find the latter lethargic and your having to carry the entire burden. Hence abandon the idea of doing business.
