ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

You will doubly enjoy life as you have a high sense of humour, coupled with the capacity for biting sarcasm. Being a highly ambitious individual, you will make a planned bid to amass riches in which you will be fairly successful. Your work will proceed even more smoothly if you note that:

The numbers that suit you are 6, 8 and 9, while 3 is unfavourable.

The colours that will help you are white, black, blue and red; while those you have to steer clear of are cream and yellow.

That your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Physique, Health & Nature

Duastro Sample

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Mars in Virgo Ascendant indicates an average lifespan, throughout which you will display tremendous courage. In fact, it is entirely because of your guts that you will be able to overcome the challenges posed by your enemies whose sole purpose is to defame you in public. It is through sheer willpower that you will get past physical discomforts and health problems. By and large, your health will be pretty good but due to excess work and the resultant strain, you may tend to fall ill which you can ward off if you exercise firm control over your nerves.

Purbasha Mondal

Born as a Capricornian, your main physical features are a big head and a broad face on which can be seen large teeth in a wide mouth. Tall and slender, you will sport stiff hair on your eyebrows and chest. Maybe it is because of your height that you may tend to stoop in your old age. If you take a close look at your knee you are likely to find either a scar or a mole. You will have starting trouble in gaining height. Of short stature during young age, you will suddenly grow tall.

Your health will be pretty good, but you may impair it by being gloomy, dejected and worried. These depressing moods may affect your digestion and cause flatulence later.

Methodical and hard working, you don't hope for miracles. You are aware the path to prosperity is strewn with boulders, hence you go about your job in real earnest, planning properly and executing it with dedication. Possessing very good organising capacity, you have the ability to adopt a scientific approach to issues, which is why you are ideally suited to hold managerial posts. Making use of every opportunity that comes your way, you will rise slowly but steadily. On the one hand you are sympathetic, generous and philosophical, while on the other you are cunning and determined to achieve your goals whatever the hurdles. It is this dual posture that may cause you problems in the domestic sphere too. Seeking an ideal and perfect home, you will get upset when it is not up to your expectations. Then you will have tiffs with your partner which will rock the family boat, Hence it would be in your interest not to push matters to an extreme at home, but adopt a reconciliatory approach to ensure a harmonious family life.
