## Personality Analysis

### Duastro Sample

At the time of your birth Virgo Ascendant (Lagna) was rising with Leo Navamsa and Taurus Dreskana in the first Pad of Chitra, holding out promise of a delightful life of plenty and pleasure, especially between the ages of 33 and 38 when your luck will be at its zenith.

You will doubly enjoy life as you have a high sense of humour, coupled with the capacity for biting sarcasm. You are a practical person, going about his job with courage and enterprise, having a clear vision of the goal you want to reach. Working with a lot of energy and a spirit of adventure, you will undoubtedly achieve your ambition, but the point is in spite of high income your savings will not be much. Why ? Because you are fond of everything that is good in life. You want to dress well, you want to satisfy your refined tastes and generally have a good time.

Having a religious bent of mind, you will evince much interest in astrology and the occult sciences. You will visit holy places and render social and charitable services. You will treat with kindness and consideration those who seek your help.

So far as you are concerned, any profession is as good as any other. But you can shine even more brightly if you opt to become a lawyer or a scientist or an engineer or a surgeon. In business you can fare well if you take up civil contracts or deal in sports goods, radio, television, jewellery or automobile spare parts.

With your stout physical structure and attractive eyes, you will make a tremendous impression on one and all. Drawn towards you, many of them will become your close associates, thus further enhancing your prospects in life.

Deriving a lot of comfort from your spouse and children, you will have a peaceful, happy home. Despite your tight schedule of work, you will find enough time to spare for your family, for whose sake you will do everything to keep them satisfied.

Your health will no doubt be very good, but there is a hint that in later years you may suffer from kidney and bladder troubles and experience urine difficulty. This threat can be met if you take preventive steps well in time.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that are extremely favourable to you are 2, 3, 5, 6 and 7. Make sure to keep clear of 1 and 8.

For a colourful individual like you, the fortunate colours are white, yellow, green and emerald. Don't at any time prefer red, black or blue.

### **Purbasha Mondal**

The astrological configuration at the time of your birth was Capricorn Ascendant (Lagna) on the rise with Aquarius Navamsa and Capricorn Dreskana in the third Pad of Uttarashadha. This throws up promise of a bright innings for you, but with a minor twist, which is: While you behave like a lion in your dealings with the public, you settle for a subordinate role at home to the point of being almost henpecked.

The reason for that could be your possible late marriage and the fact that you are not an aggressive individual but a moderate who wants calm and peace devoid of any controversies. You will, however, have a very soft corner for your spouse and children, and give them plenty of liberty to go about their jobs.

You can rise high in life, as you are a clever person toeing a virtuous path and believing in the policy of live-and-let-live. This endears you to your superiors and helps you to collect a good circle of friends. As you have the power of proper perception of things, people come to you to seek guidance. you are also interested in music and dance, and derive pleasure in attending concerts.

A highly religious person, you will study about the life beyond and make periodic trips to holy places. You will also contribute liberally to charity.

The professions that suit your traits are those connected with the earth, like irrigation and mining, archeology, engineering and civil contracts, occupying positions of trust like judge or arbitrator, or take to export business.

Your health will no doubt be good for the greater part of life, but you would do well to guard against sustaining bodily injuries, by avoiding jumping and falling down. Care is also needed regarding your digestive system.

Being a highly ambitious individual, you will make a planned bid to amass riches in which you will be fairly successful. Your work will proceed even more smoothly if you note that:

The numbers that suit you are 6, 8 and 9, while 3 is unfavourable.

The colours that will help you are white, black, blue and red; while those you have to steer clear of are cream and yellow.

That your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

## Physique, Health & Nature

### Duastro Sample

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Mars in Virgo Ascendant indicates an average lifespan, throughout which you will display tremendous courage. In fact, it is entirely because of your guts that you will be able to overcome the challenges posed by your enemies whose sole purpose is to defame you in public. It is through sheer willpower that you will get past physical discomforts and health problems. If you take a close look at your knee you are likely to find either a scar or a mole. You will have starting trouble in gaining height. Of short stature during young age, you will suddenly grow tall.

Your health will be pretty good, but you may impair it by being gloomy, dejected and worried. These depressing moods may affect your digestion and cause flatulence later.

Methodical and hard working, you don't hope for miracles. You are aware the path to prosperity is strewn with boulders, hence you go about your job in real earnest, planning properly and executing it with dedication. Possessing very good organising capacity, you have the ability to adopt a scientific approach to issues, which is why you are ideally suited to hold managerial posts. Making use of every opportunity that comes your way, you will rise slowly but steadily. On the one hand you are sympathetic, generous and philosophical, while on the other you are cunning and determined to achieve your goals whatever the hurdles. It is this dual posture that may cause you problems in the domestic sphere too. Seeking an ideal and perfect home, you will get upset when it is not up to your expectations.
