## About Construct Society Muhurat

The Construct Society Muhurat is selected to ensure a successful, stable, and harmonious beginning of residential society or housing complex construction. Such projects represent collective living, shared prosperity, and long-term community well-being. Initiating construction at an auspicious Muhurat helps align the project with favorable planetary energies, supporting smooth progress, safety, and peaceful coexistence for future residents.

## Important Guidance

Society construction Muhurat is calculated based on planetary positions, Moon strength, Nakshatra, Tithi, and Vastu principles applicable to large-scale residential developments. While the recommended Muhurat windows are astrologically favorable, land readiness, statutory approvals, architectural planning, and construction logistics should also be considered. If delays occur, selecting the nearest auspicious Muhurat is advised.

## Why These Dates Are Recommended

- Favorable Moon placement supports harmony, cooperation, and long-term stability.
- Auspicious Nakshatra and Tithi combinations free from major construction doshas.
- Planetary alignments that promote safety, prosperity, and community well-being.

## Precautions

- Begin major construction activities strictly within the recommended Muhurat window.
- Avoid Rahu Kaal, Yamagandam, Amavasya, and other inauspicious periods.
- If the selected date is not feasible, consult for alternative auspicious timings.

## Construct Society Muhurat

Based on the project details, land information, and current planetary positions, the following dates within the next 3 months are considered most auspicious for starting construction of a residential society or housing complex.
