About Film Release Muhurat

The **Release a Film Muhurat** is the selection of an auspicious date and time for the theatrical or digital release of a film or media project. Choosing a favorable Muhurat aligns the release with positive planetary influences, enhancing audience reception, box-office success, and overall recognition of the project.

Important Guidance

Astrological Muhurat calculations consider planetary positions, Nakshatra, Tithi, and other auspicious factors. While the suggested windows are highly recommended, practical considerations such as distribution plans, marketing, and audience timing should also be accounted for. If adjustments are required, select the nearest favorable period and avoid inauspicious timings.

Why These Dates Are Recommended

- Favorable planetary positions promote audience engagement, positive reception, and commercial success.
- No inauspicious Tithis or Nakshatra doshas occur during these periods.
- Planetary alignment ensures smooth release operations, publicity, and recognition of the film.

Precautions

- Release the film only during the suggested Muhurat windows.
- Avoid Rahu Kaal, Yamagandam, and other inauspicious periods.
- If the suggested dates are not feasible, consult an expert astrologer for alternative Muhurats.
